## **(SFIMAR)**

### **Department of Lifelong Learning and Education (DLLE)**

### **Mumbai University**

#### **Introduction**

SFIMAR actively participates in DLLE activities to promote the values of human development among the students and provide a forum and place for the exchange of ideas, innovations related to social issues. In addition, the aim is to create social awareness and commitment among the students towards society.

The Institute has conducted activities like a visit to an orphanage, 'Prevention of child abuse workshop,' poster making competition on the relevant social issues like the role of women in modern society, save the environment, etc. Under DLLE activities college has organized health checkup camps in association with Wockhardt Hospital for our students and people of surrounding areas. A cancer screening camp was also organized in association with HCG cancer hospital for the surrounding area. Our Institute has also hosted UDAAN, the annual fest of DLLE Mumbai University, twice in the last five years.

#### **Objectives**

- To develop among students a sense of responsibility towards society.
- To prepare students for a more significant social commitment.
- To enhance student employability skills.
- To cater to the needs of the unreached for promoting knowledge-based society.
- To network with Governmental and Non-governmental agencies, international organizations as well as industries.
- To deepen the teacher and student knowledge through a broader exposure to real-life situations through various programs.

- To develop entrepreneurship and leadership skills among students.
- To brief students on the role of women in society.
- To develop public relations.
- To relate with an ordinary person and study their problems.

### **Learning Outcomes**

1. It develops a sense of responsibility among students towards society.
2. It prepares students for a more significant social commitment.
3. It enhances student employability skills.
4. The program prepares the students for their career planning.
5. It also develops entrepreneurial skills among the students.
6. It enhances student employability skills.

## **Academic Year 2015 – 16**

### **Entrepreneurship Skills Development Education Project**

SFIMAR, affiliated with the University of Mumbai, is associated with the DLLE (Department of Lifelong Learning and Extension). The main aim of this program is to build a strong group of young people with discipline and character to make our society proud of them and develop the multifaceted personality of our students. Under this program, the students have to complete 120 hours, including E-learning and workshops related to developing entrepreneurial skills. The students are subdivided into a total of 8 groups managed by two student managers Deanne D'Sa and Vidhi Rathod.

DLLE Workshop for Faculty members and student managers was conducted on 27th August 2015. Student managers Brahat, Vidhi, and Deanne, have participated in this workshop. Usernames and passwords for the E-Learning portal were provided to student managers at this training program. The 2<sup>nd</sup> workshop was conducted on 31<sup>st</sup> October 2015. Student Managers Vidhi and Deanne participated in the workshop and the birthday celebration of Swami Vivekananda, conducted at the convocation hall of Mumbai University, Fort.

## **Entrepreneurship Skills Development Education - Sales activity report**

As rightly said by the well-known entrepreneur Walt Disney, "The way to get started is to quit talking and begin doing." In this spirit, the DLLE entrepreneurship activity on 23rd October 2015 helped us overcome our risk-averse nature and provided us with a platform to set up our temporary retail outlet. The type of stall to be setup up was taken well in advance, and the students had to plan, organize, and cater to the needs of their target audience. This encouraged a wave of brainstorming and teamwork among the students. The respective groups managed each stall's investment entirely, and they were particularly cautious about the products and budgeting.

At 9 am, colorful and innovative charts were displayed at every counter. The stalls ranged from eatables to apparel. The eatables included Sandwiches, cupcakes, burgers, and sweets. Each item was so delicious that most of the stock was sold out by lunchtime. Some counters displayed trendy Indian wear for women as well as leatherware for men. The activity taught us how to manage risk and to work with limited budgets for a short period. They also learned how to multitask and allocate work according to the strengths and weaknesses of the team members. The sales and profit margins boosted our morale. Overall, the activity was a great learning experience, and it helped us 'young entrepreneurs' sharpen our managerial skills.

### **Poster Making Competition**

As part of our DLLE activities, poster making was one of the activities conducted on 2/11/2015. The venue for the competition was the Shed area of St. Francis Institute of Management and Research. The topics for the competition were women empowerment and child abuse. Each team comprised of 5 members, and the time allotted to each group was 2 hours. The participants were informed about the Rules and regulations of the competition well in advance.

The competition provided a platform for the students to showcase their artistic skills. It also provided an insight into how a woman is portrayed or perceived in society. The competition ended with three winners being felicitated by the Director, Dr. S.S. Mohanty, and Extension work Teachers. (Dr. Sulbha Raorane and Prof. Renita D'Souza)

## **Population Education Club Project - Workshop on Safeguarding Children from Unsafe touch**

This workshop was conducted at Rustomjee School at 3:00 pm on 25th January 2016. The workshop was conducted for 120 children in total, divided into 30 children per class. Many children fall prey to sexual abuse by adults and sometimes older children. Many (15-20%) of adults report that children were abused or inappropriately touched. Children from all socioeconomic classes are affected. This experience can leave intense emotional scars on children and affect their development as happy, healthy adults. This workshop aimed to educate children about safe/good and unsafe/bad touch. They also educated children about three body parts (chest, bottom, and between legs) that anyone cannot touch. They also taught them how to protect themselves if such a thing happens. All in all, it was a pleasant experience interacting with the children and teaching them how to stay safe.

## UDAAN Festival

Every year DLLE organizes the Annual Extension work Festival titled "UDAAN-the flight of Extension" during December – January in a decentralized way in Mumbai wherein the students of Extension Work from various colleges come together and give performances through Street play and Exhibit Posters on the activities undertaken by them.

St. Francis Institute of Management and Research had the privilege of hosting this festival on the 15<sup>th</sup> and 16<sup>th</sup> of January 2016. The main objective of this festival is to create awareness about the field of Extension Work done by the University of Mumbai through affiliated Colleges in the community. It also gave opportunities to the students to enhance their skills to co-relate with the new avenues in Management, Education, and Entrepreneurship in this modern technological world.

### **Survey of Women's Status Project - Survey on the status of women in society**

This survey was conducted in different schools in nearby areas. The survey was conducted for 100 teachers. This survey aimed to know the socioeconomic status of women teachers. It is necessary to change the present attitude values in society regarding women's roles and rights to equal participation in all social, economic, and political processes and national and international development. It is also required to create awareness among both men and women by helping them understand, recognize, and acknowledge the multidimensional roles women play in society. All in all, it was an excellent experience interacting with the teachers

## MFM / MMM INAUGURAL & ORIENTATION PROGRAMME 2019

SFIMAR's 11<sup>th</sup> Batch Part Time MFM / MMM Inaugural & Orientation Program was held on the 6<sup>th</sup> of July, 2019 and was organized by the 2<sup>nd</sup> & 3<sup>rd</sup> year students of the course.

The program began at 2:00 pm wherein, along with the first-year students, also present were SFIMAR Registrar Brother Xavier Munda, Director of SFIMAR - Dr. D. Henry, Deputy Director and MMS Program Head – Dr. G. Ramesh, MFM/MMM Course Program Head Dr. Natika Poddar, Heads of Department, Faculty members, and Admin staff members. The orientation programme commenced with the lighting of the lamp by all the dignitaries and a first year student representative. Following which, the Peace Prayer was sung by the choir. An informative virtual tour of the MFM/MMM Programme was played for the students wherein every aspect and facility of SFIMAR was introduced to them.

The dignitaries were felicitated with Saplings and invited to the dais wherein Director Dr. D. Henry welcomed the students with the history of St. Francis Institute and a warm welcome speech. Deputy Director and MMS Program Head Dr. G Ramesh made a short and truly inspiring speech about the part time program and spoke to the students about the importance of the course and how the students can overcome their hurdles with mindfulness.

MFM/MMM Course Program Head, Dr. Natika Poddar felicitated the faculty members and HODs present at the orientation, following which she explained about the Part Time curriculum and rules and about extracurricular activities.

Ms. Dipti Agarwal, alumni of MMM Course, shared some experiences of her three year journey as a student at SFIMAR. Department Heads, Mr. Prakash Lalwani (I.T.) and Ms. Papinder Kaur(Library) were felicitated with saplings. They then briefed the students about the I.T and Library rules along with the facilities at their respective departments.

The program concluded with snacks and tea being served to the students, following which an ice breaker session was conducted by SFIMAR alumni Ms. Kavita Anthony. The well planned inaugural and orientation program truly served to provide a complete guide to the first-year students about the campus, the management, the curriculum, the faculty and the facilities available to them.
